

FUNERALS & MEMORIAL SERVICES AT THE FUMC

It is recommended that a funeral home staff person be present at the service, especially in the case of a sudden loss. Funeral home staff should make contact with FUMC to let the church know that they will be present at the service.

Ordinary Funeral & Memorial bulletins can be prepared and printed by FUMC at no charge. We can also assist with slides to accompany the service.

The Pastor presides at the service and may invite, at the request of the family, another pastor to assist in the service.

Please direct all inquiries and questions about the services to:

MEMORIAL GIFTS

We have two ways of giving: a gift for the **Memorial Garden** or a gift to the **Memorial Fund** to honor your loved ones. Each donor will receive a note of thanks from the Church, and you will receive a list of those who made a Memorial gift in your loved one's name.

His or hers interests, ministries and relationships are considered in the use of these gifts at an appropriate time.

We thank you for considering making the Memorial gift for your loved one.
